INVITATION

For over half a century, the Polled Shorthorn Breeders of the Shenandoah Valley have been offering their cattle in the Spring Sale.

The fact that many of the best herds of the land have cattle from these sales, indicates the confidence of the most discriminating buyers.

Again this year, the offering will provide an opportunity to buy some of the best breeding that is known in the business. In this sale, you can find top show cattle, but for the most part, sound breeding cattle in moderate flesh. A few good cows with calves at foot.
